

DL::DelegateBase

```
graph BT; A[DL::Delegate0< ReturnType, ClassType >] --> B[DL::DelegateBase];
```

A diagram illustrating inheritance. At the bottom, a black rectangular box contains the text 'DL::Delegate0< ReturnType, ClassType >' in white. A vertical blue arrow points upwards from this box to a white rectangular box at the top. The top box has a black border and contains the text 'DL::DelegateBase' in black.

DL::Delegate0< ReturnType, ClassType >
